

LITERATURE NOTICES

Chrysomelid beetles from the Papuan Subregion, 8 (Chrysomelinae, 1), by J. L. Gressitt & A. D. Hart. 1974. *Pacific Insects* 16(2-3):261-306.

On the genus *Aeschylus* (Coleoptera: Curculionidae: Cryptorhynchinae), by E. C. Zimmerman. 1975. *Pacific Insects* 16(4):375-379.

Distribution of *Hylurdretonus araucariae* Schedl (Coleoptera: Scolytidae) and progress of outbreak in major hoop pine plantations in Papua New Guinea, by B. Gray. 1975. *Pacific Insects* 16(4):383-394.

Current classification of the Families of Coleoptera, by M. G. de Viedma and N. L. Nelson. 1975. *The Great Lakes Entomologist* 8(3):111-114.

Spatial and seasonal distribution of Pine Root Collar Weevil eggs in young Red Pine plantations, by L. F. Wilson. 1975. *The Great Lakes Entomologist* 8(3):115-121.

Curculionidae and Chrysomelidae found in aquatic habitats in Wisconsin, by L. J. Bayer & H. J. Brockman. 1975. *The Great Lakes Entomologist* 8(4):219-226.

Bionomics of the Anthonomine weevils (Curculionidae: Anthonominae), by H. R. Burke. 1976. *Annual Review of Entomology* 21:283-303.

Pericaline Lebiini: Notes on classification, a synopsis of the New World genera, and a revision of the genus *Phloeoxena* Chaudoir (Coleoptera: Carabidae), by G. E. Ball. 1975. *Quaestiones Entomologicae* 11(2):143-242.

The predaceous water beetles (Coleoptera: Dytiscidae) of Alberta: Systematics, natural history and distribution, by D. J. Larson. 1975. *Quaestiones Entomologicae* 11(3):245-498.

The type-species of Bonell's genera of Carabidae (Coleoptera), by R. B. Madge. 1975. *Quaestiones Entomologicae* 11(4):579-586.

Classification of the Middle American genus *Cyrtolaus* Bates (Coleoptera: Carabidae: Pterostichini), by D. R. Whitehead & G. E. Ball. 1975. *Quaestiones Entomologicae* 11(4):591-619.

Revision of the genus *Endeodes* LeConte with a tabular key to the species (Coleoptera: Melyridae), by Ian Moore & E. F. Legner. 1975. *Jour. N.Y. Ent. Society* 83(2):70-81.

The systematic position of *Glypholoma* Jeannel, with a new synonymy (Coleoptera: Silphidae, Staphylinidae), by A. F. Newton, Jr. 1975. *Psyche* 82(1):53-58.

A review of the distribution and habitats of North American *Brathinus* (Coleoptera: Staphylinidae; Omaliinae), by S. B. Peck. 1975. *Psyche* 82(1):59-66.

The North American Cerylonidae (Coleoptera: Clavicornia), by J. F. Lawrence & K. Stephan. 1975. *Psyche* 82(2):131-166.

Key to New World genera of beetle family Limnichidae (Coleoptera), by D. P. Wooldridge. 1975. *Ent. News* 86:1-4.

Nomenclatural changes in North American *Anthonomus* (Coleoptera: Curculionidae), by H. R. Burke. 1975. *Ent. News* 86:57-62.

Phloeoxena newtoni new species, and notes on *P. nigricollis* Ball and *P. geniculata* Chaudoir from Mexico (Coleoptera: Carabidae: Lebiini), by G. E. Ball. 1975. *Ent. News* 86:151-156.

A new species of *Smicraulax* from Mexico, with key to species of the genus (Coleoptera: Curculionidae), by H. R. Burke. 1975. *Ent. News* 86:167-171.

Calling chirps in *Tropisternus natator* (D'Orchymont) and *T. lateralis nimbatus* (Say) (Coleoptera: Hydrophilidae), by L. C. Ryker. 1975. *Ent. News* 86:179-186.

A new subspecies of *Acilius* (Coleoptera: Dytiscidae) from the Southeastern United States, J. F. Matta & A. G. Michael. 1975. *Ent. News* 86:11-16.
